It was a nice warm summer's day, and Ram was wandering the field looking for someone.

"Hello", said Nanny the goat, "what are you looking for?"

"Oh, hello" said Ram, "I'm looking for Ewe."

"Who, me", said Nanny,

"No, not you, I'm looking for a sheep, Ewe".

"Ah, sorry I haven't seen Ewe, but maybe Billy has, I'll ask him."

Nanny called out, "Billy, have you seen a sheep called Ewe?"

"Who me, no I haven't seen Ewe, Sorry" Said Billy.

"Thank you anyways" said Ram as he turned and slowly walked away.

Walking along Ram meets a deer, "hello dear, I'm Doe" said the deer,  
"you look like you're looking for someone".  
"Have you seen Ewe" asked Ram  
"have I seen me"

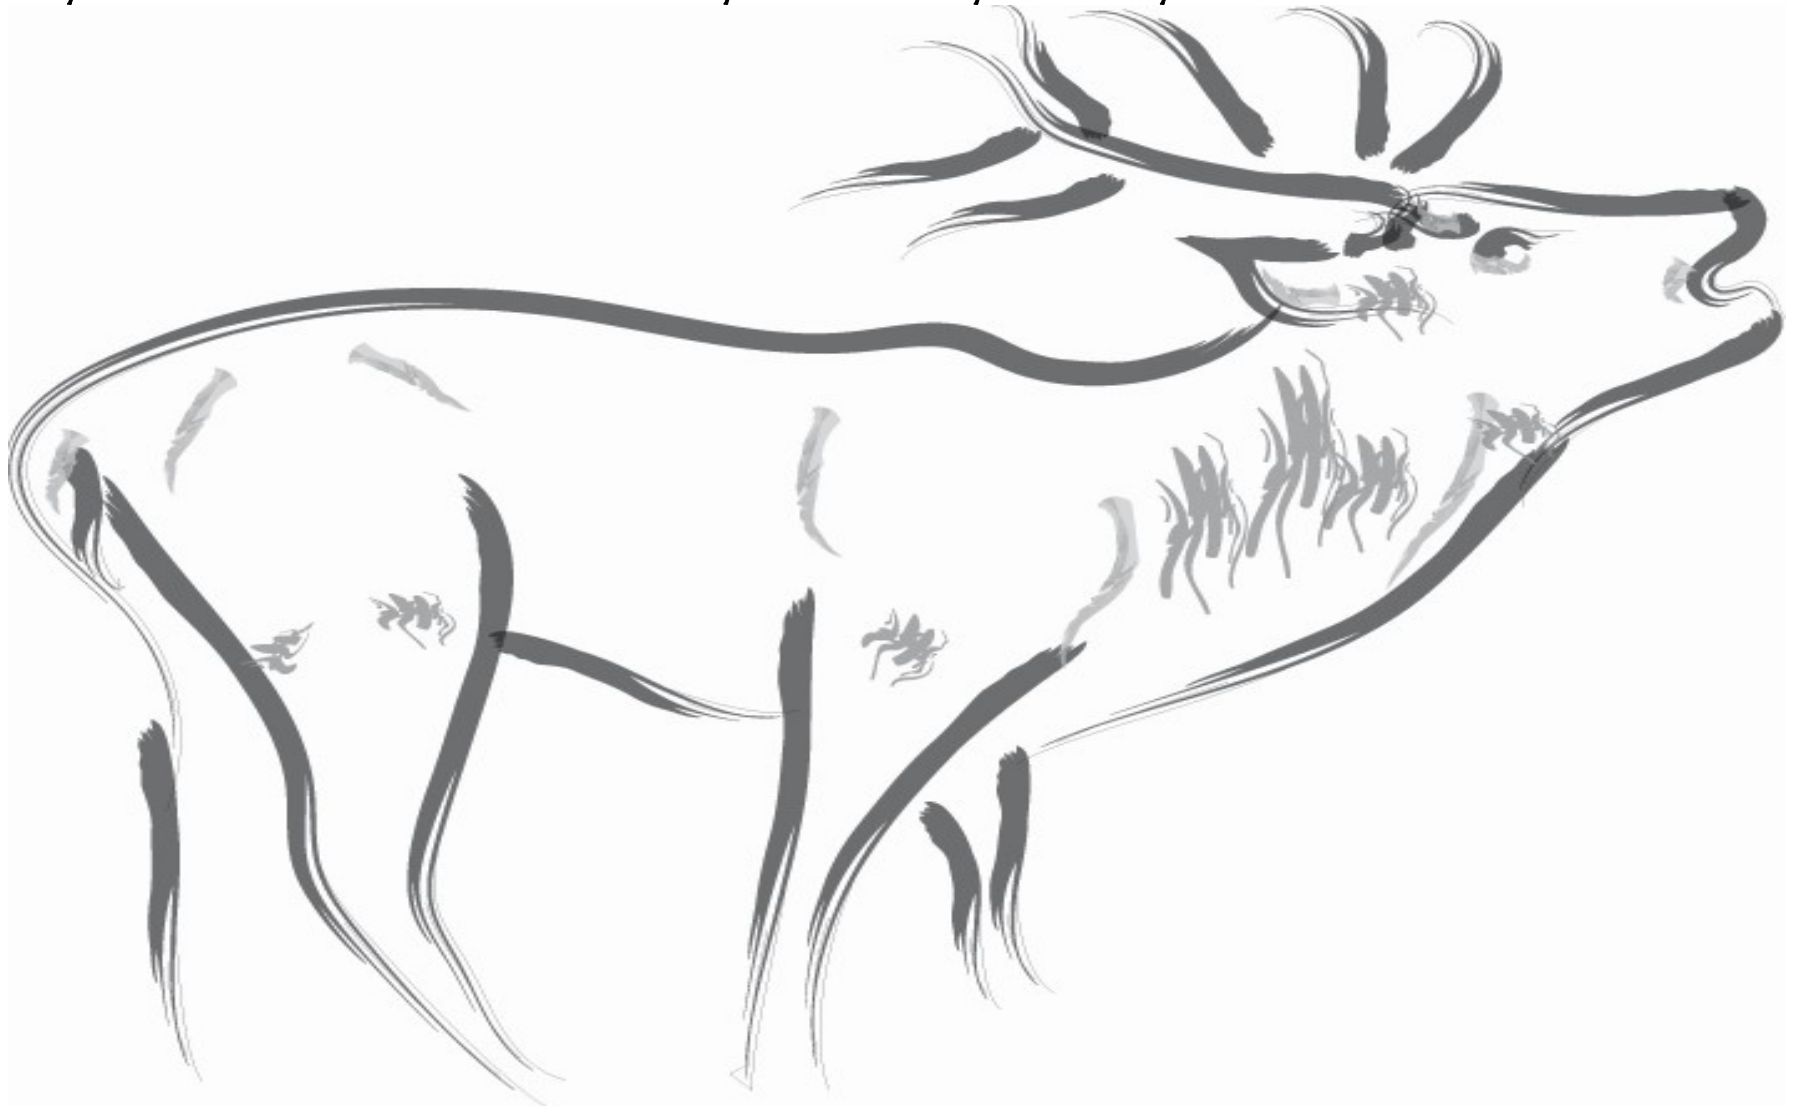

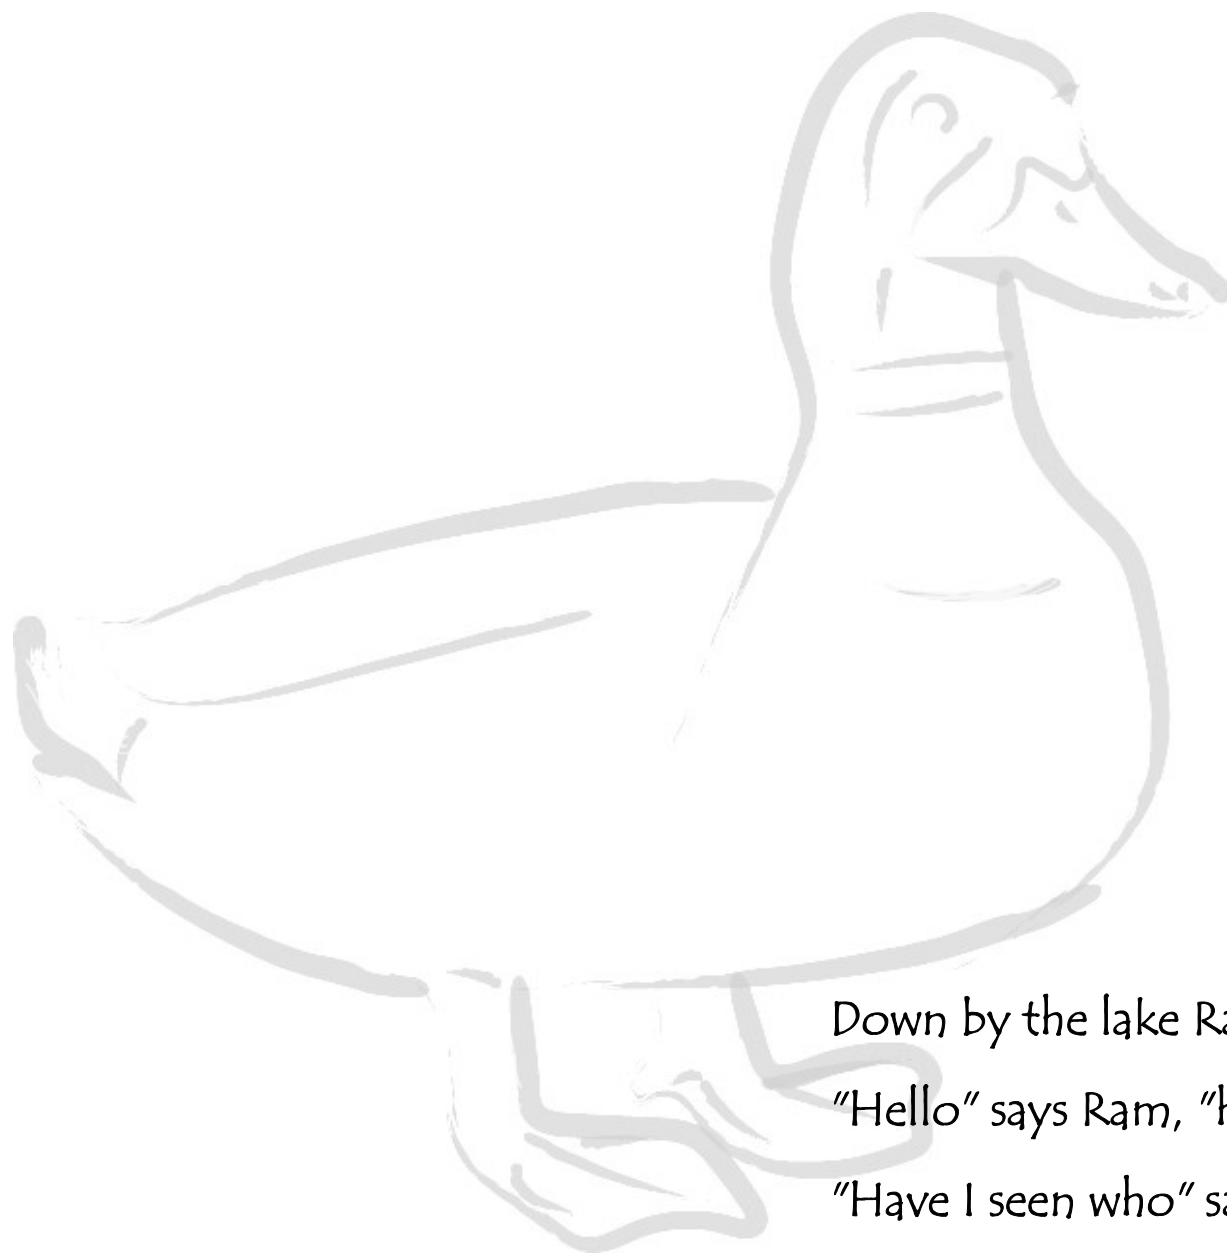

"No Doe, I'm looking for a sheep called Ewe"

"Oh" said doe "no, I haven't seen Ewe, but stag might have,  
Stag, have you seen a sheep called Ewe?"

"No dear, I haven't seen any sheep today, maybe try by the lake", Said Stag

"I'm sorry dear, we haven't seen Ewe, but you could try down by the lake" Said Doe.

Down by the lake Ram meets a duck called Drake.

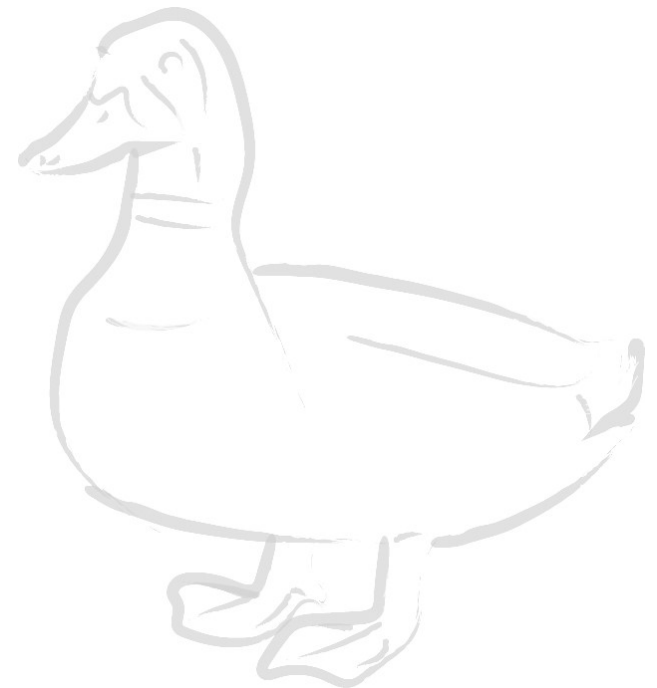

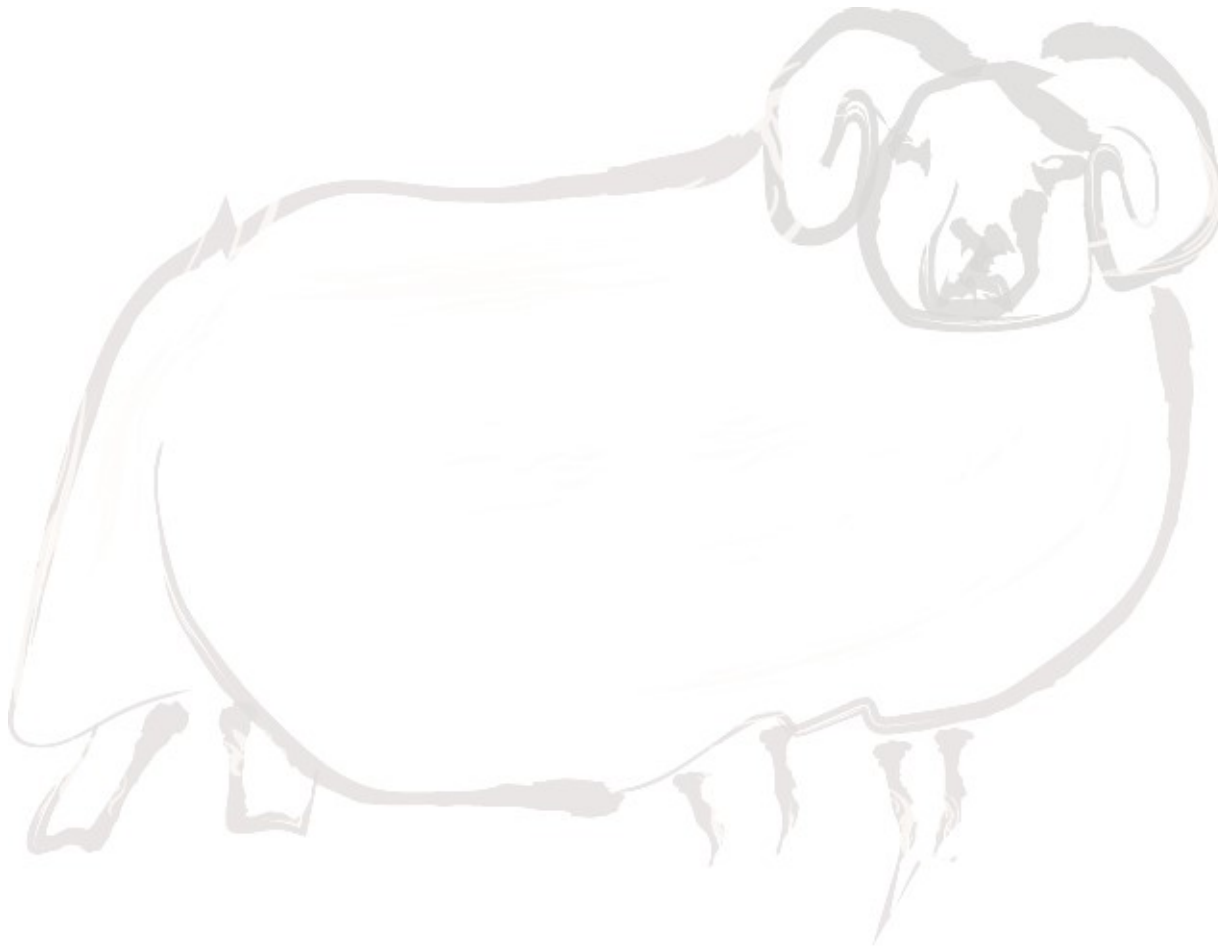

"Hello" says Ram, "have you seen Ewe by the lake"

"Have I seen who" said Drake

"A sheep called Ewe," said Ram

"No," said Drake, "I haven't seen any sheep by the lake. I'll ask Duck,  
With any luck she might have seen a sheep called Ewe."

Drake called out, "Duck, have you seen a sheep called Ewe by the lake?"

"Not today Drake" replied Duck, "Maybe try by the farmhouse".

"Thank you" said Ram as he turned and walked to the farmhouse.

By the Farmhouse, Ram meets a mouse.

"Hello little mouse, have you seen Ewe?

I've been looking all over and don't know what to do?"

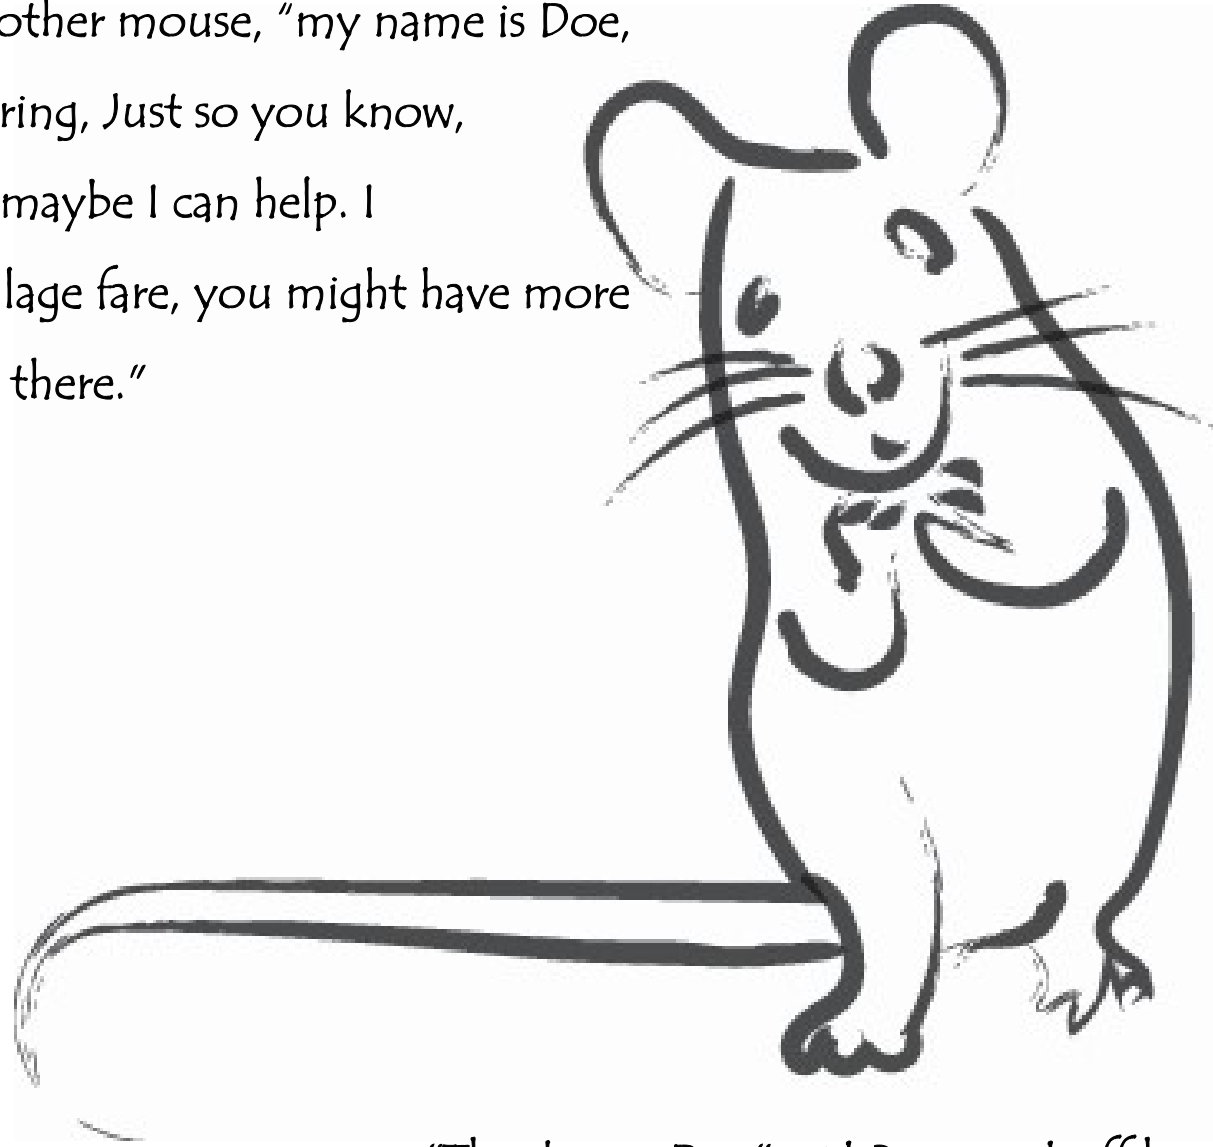

"Excuse me", said the mouse "Can you say that again,  
my hearing isn't what it used to be."

"I'm looking for a sheep called Ewe,  
and I don't know what to do" Said Ram.

"Ah" mouse said, "my name is Buck, how do you do?"

"I'm ever so sorry" said another mouse, "my name is Doe,  
and Buck has very bad hearing, Just so you know,  
I heard what you said and maybe I can help. I  
saw a sheep pass by the village fare, you might have more  
luck if you ask about over there."

"Thank you Doe" said Ram, and off he went.

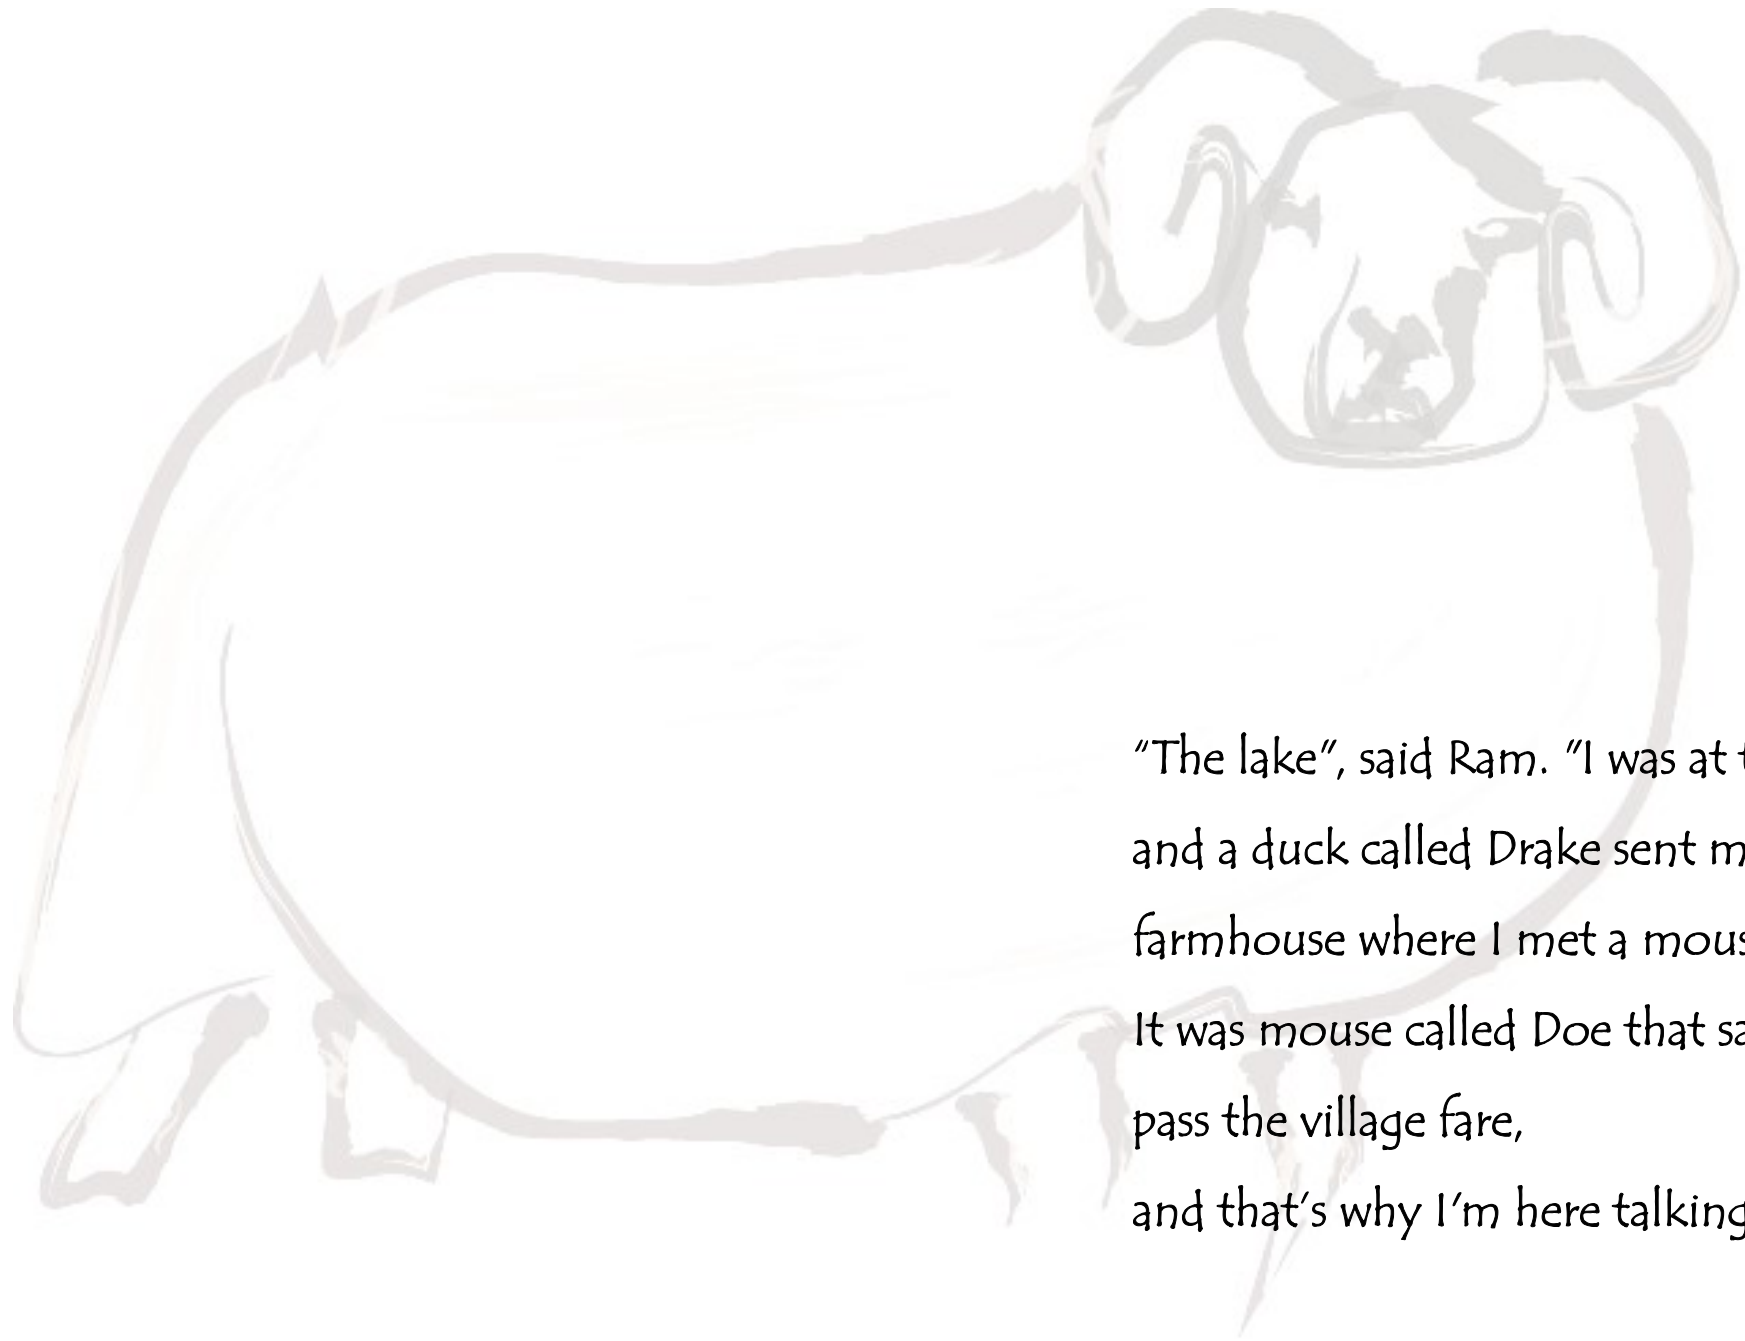

As Ram passed by the village fare he meets a horse called Mare.  
"Hello there" said Ram, "I hope you can help, I'm looking for Ewe".  
The horse looks at Ram and thought for a second,

"Ah, you must be Ram, hello I'm Mare, You just missed Ewe, and she's gone looking for you".

"Looking for me" said Ram, "do you know where she went?"

"Indeed I do" said Mare, "she went toward the lake".

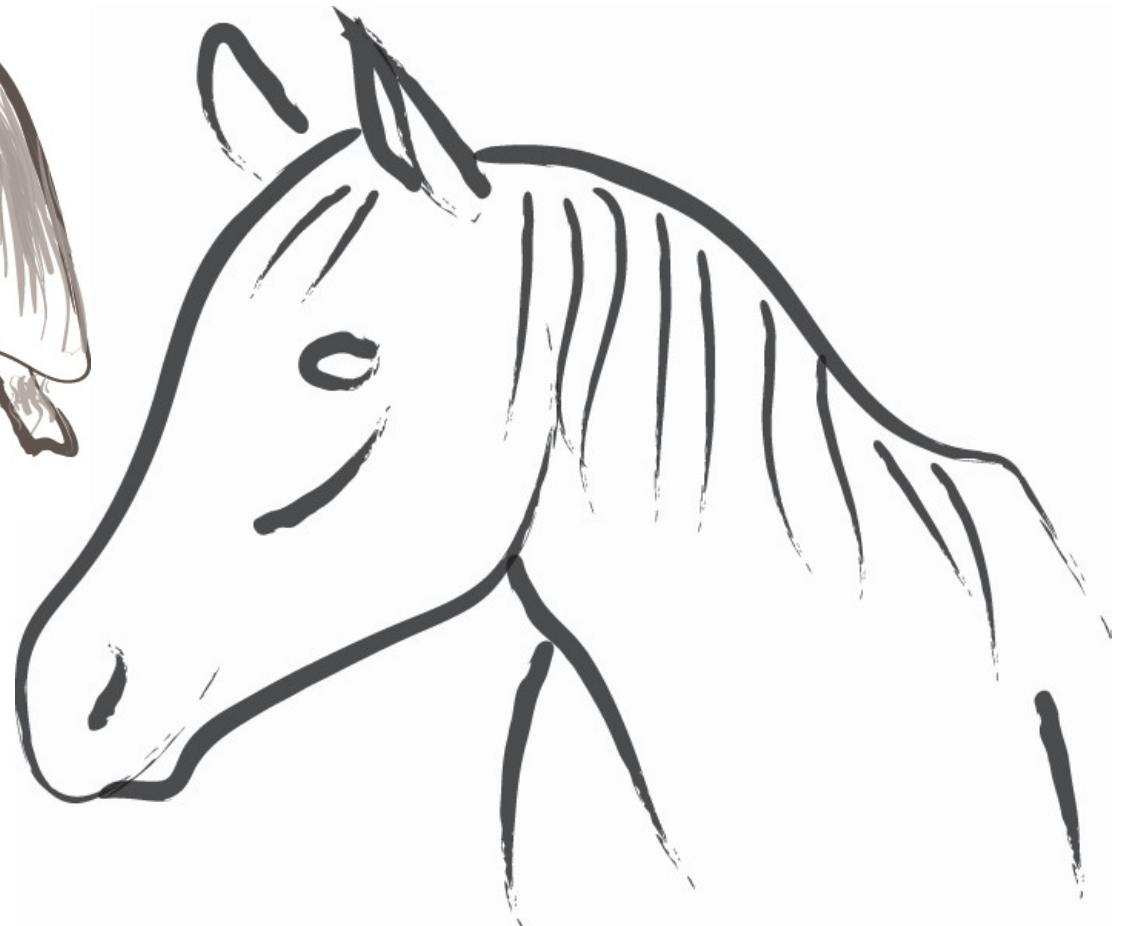

"The lake", said Ram. "I was at the lake,  
and a duck called Drake sent me to the  
farmhouse where I met a mouse,  
It was mouse called Doe that saw Ewe  
pass the village fare,  
and that's why I'm here talking to Mare".

"Well if you hurry quickly, you might catch her there" Said Mare.

Ram hurried as fast as he could towards the lake.

Ram got to the lake he saw Drake, "Drake, have you seen Ewe?"

"Why yes Ram, she was here only a moment ago,

I sent her to the farmhouse, did you not see her?"

"No Drake, after I left the lake I went to the farmhouse and saw a mouse,  
the mouse sent me past the village fare, where I met Mare,  
but she was not there, she headed for the lake,  
and here I am now talking to you Drake".

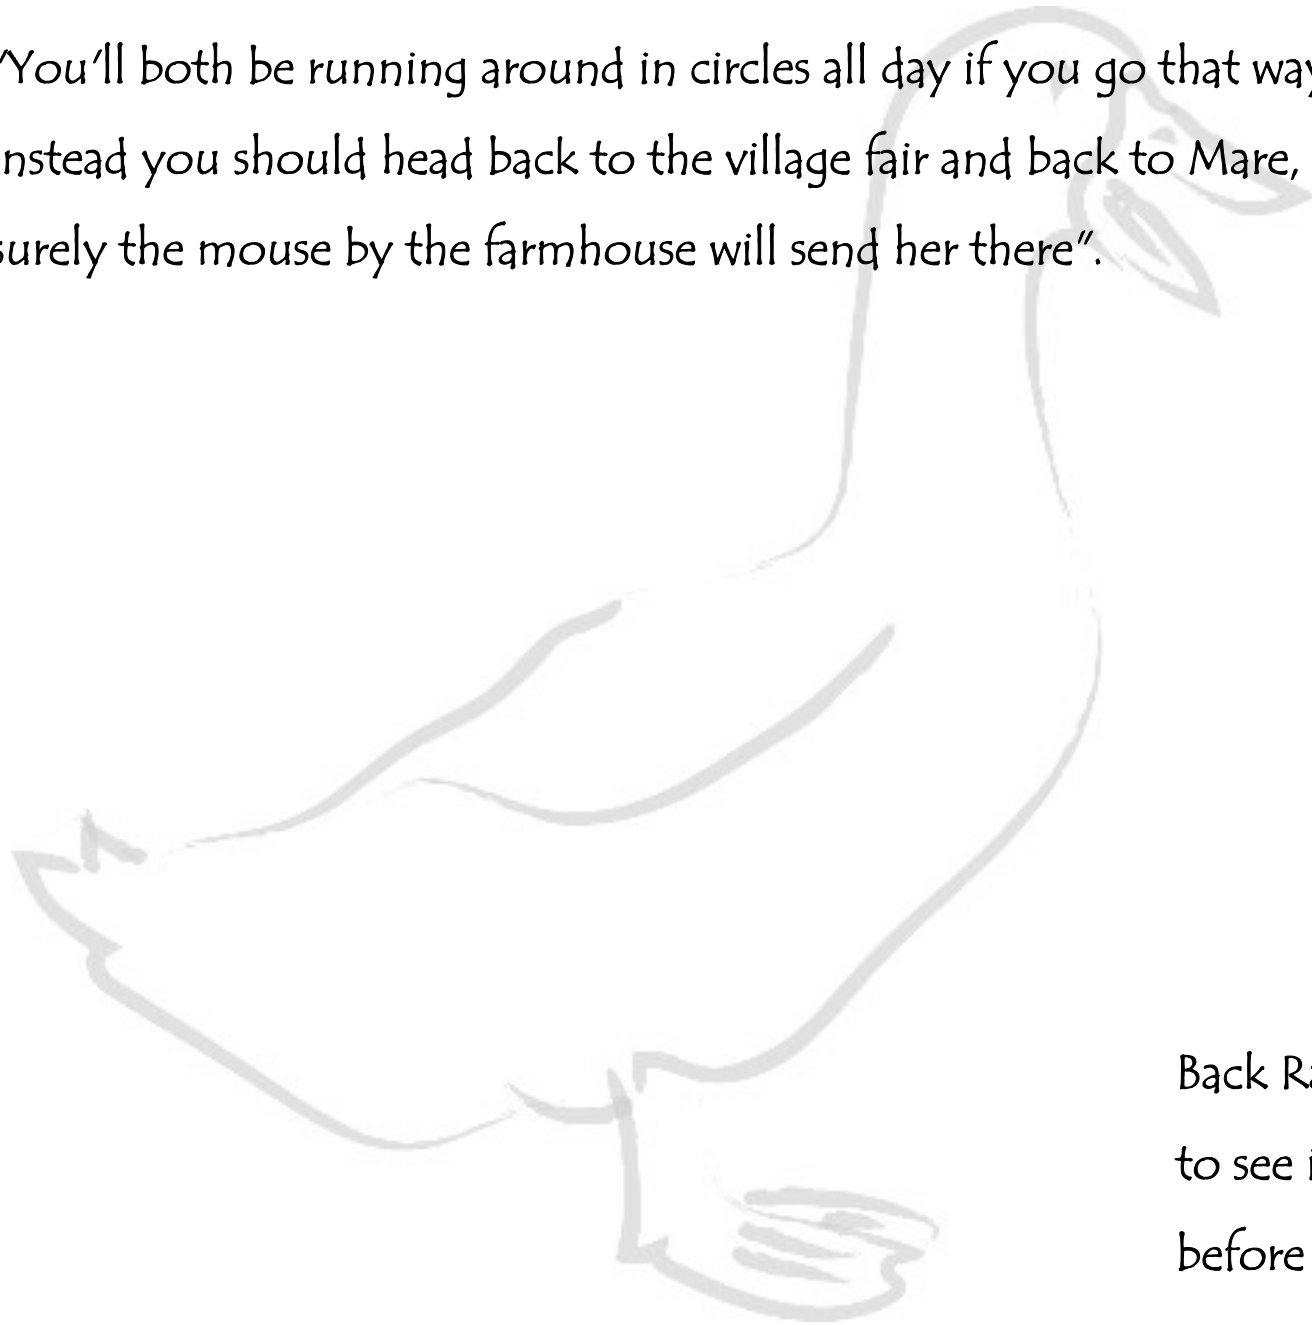

Drake paused for a second, and said  
"Oh dear, you'll have to hurry to catch up to her at the farmhouse,  
before she talks to the mouse, who will send her passed the village fair  
to talk to Mare, and if you're not there when she talks to Mare,  
she'll come back to the lake and...."

"WAIT" Quacked Duck.

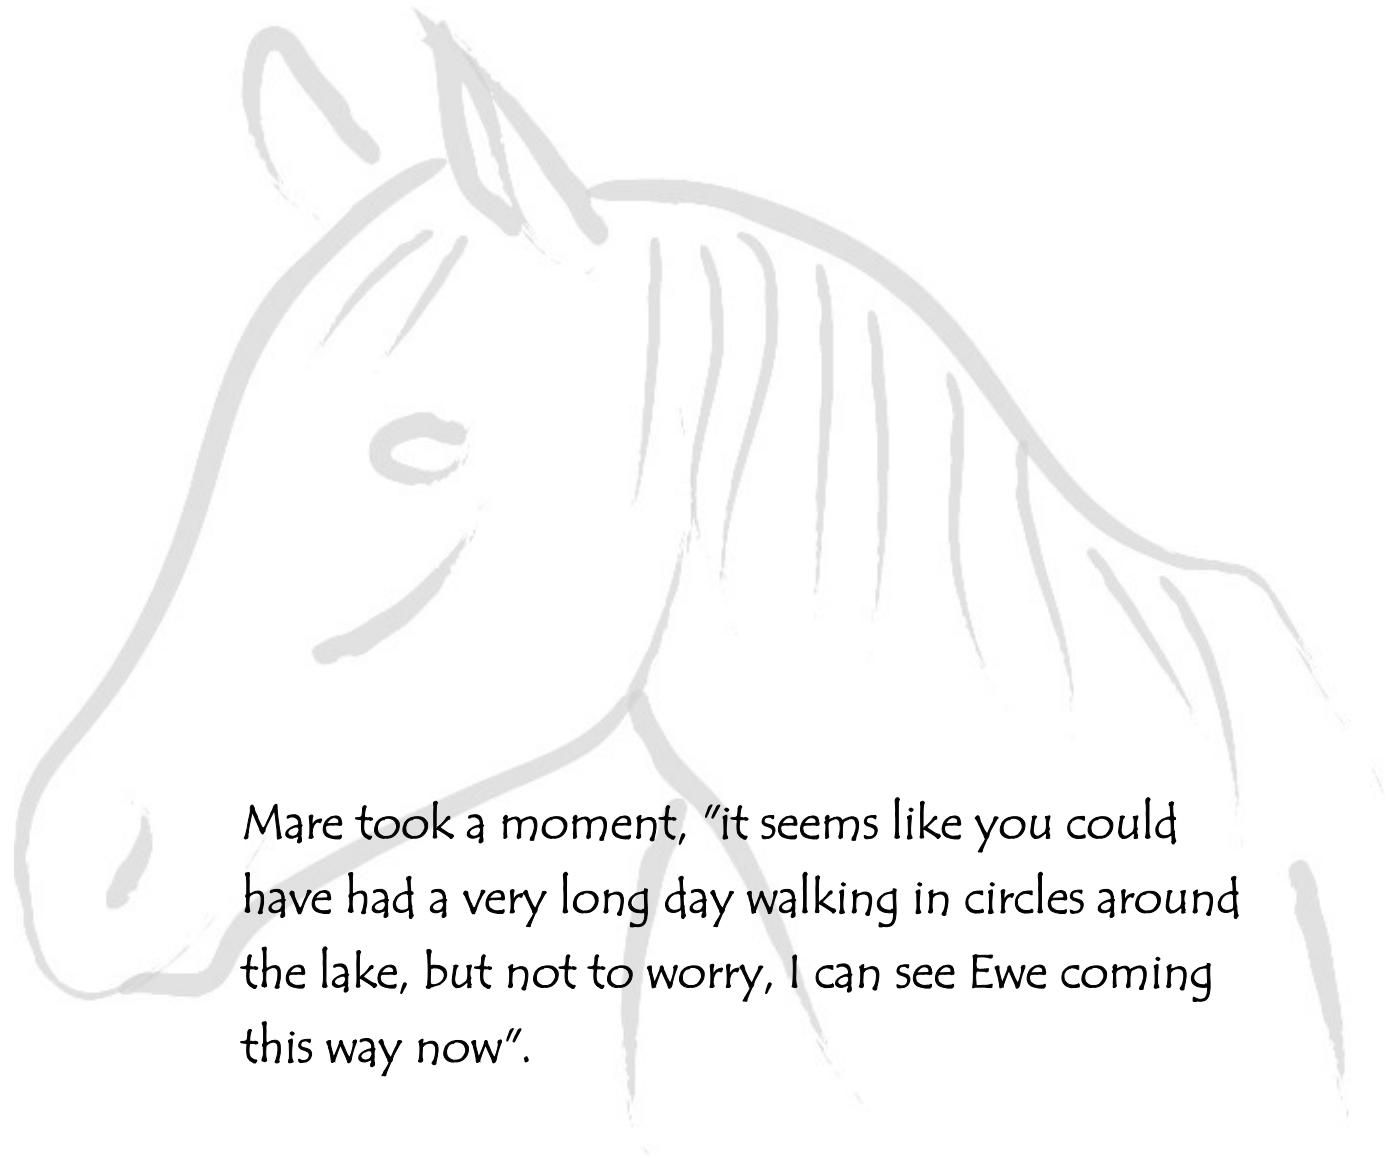

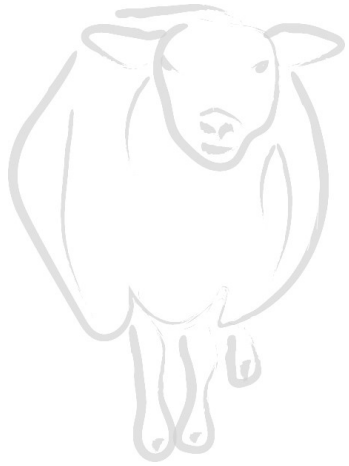

"You'll both be running around in circles all day if you go that way, instead you should head back to the village fair and back to Mare, surely the mouse by the farmhouse will send her there".

Back Ram went, back to the fare,  
to see if he could catch up with Ewe  
before she meets Mare.

Mare was standing by the fare, "Back so soon" said Mare to Ram.  
Indeed" said Ram, "I got to the lake where I met again with Drake,  
he said he sent Ewe to the farmhouse, where no doubt she'll meet a mouse  
and then be sent back here to the fare to meet up again with you Mare".

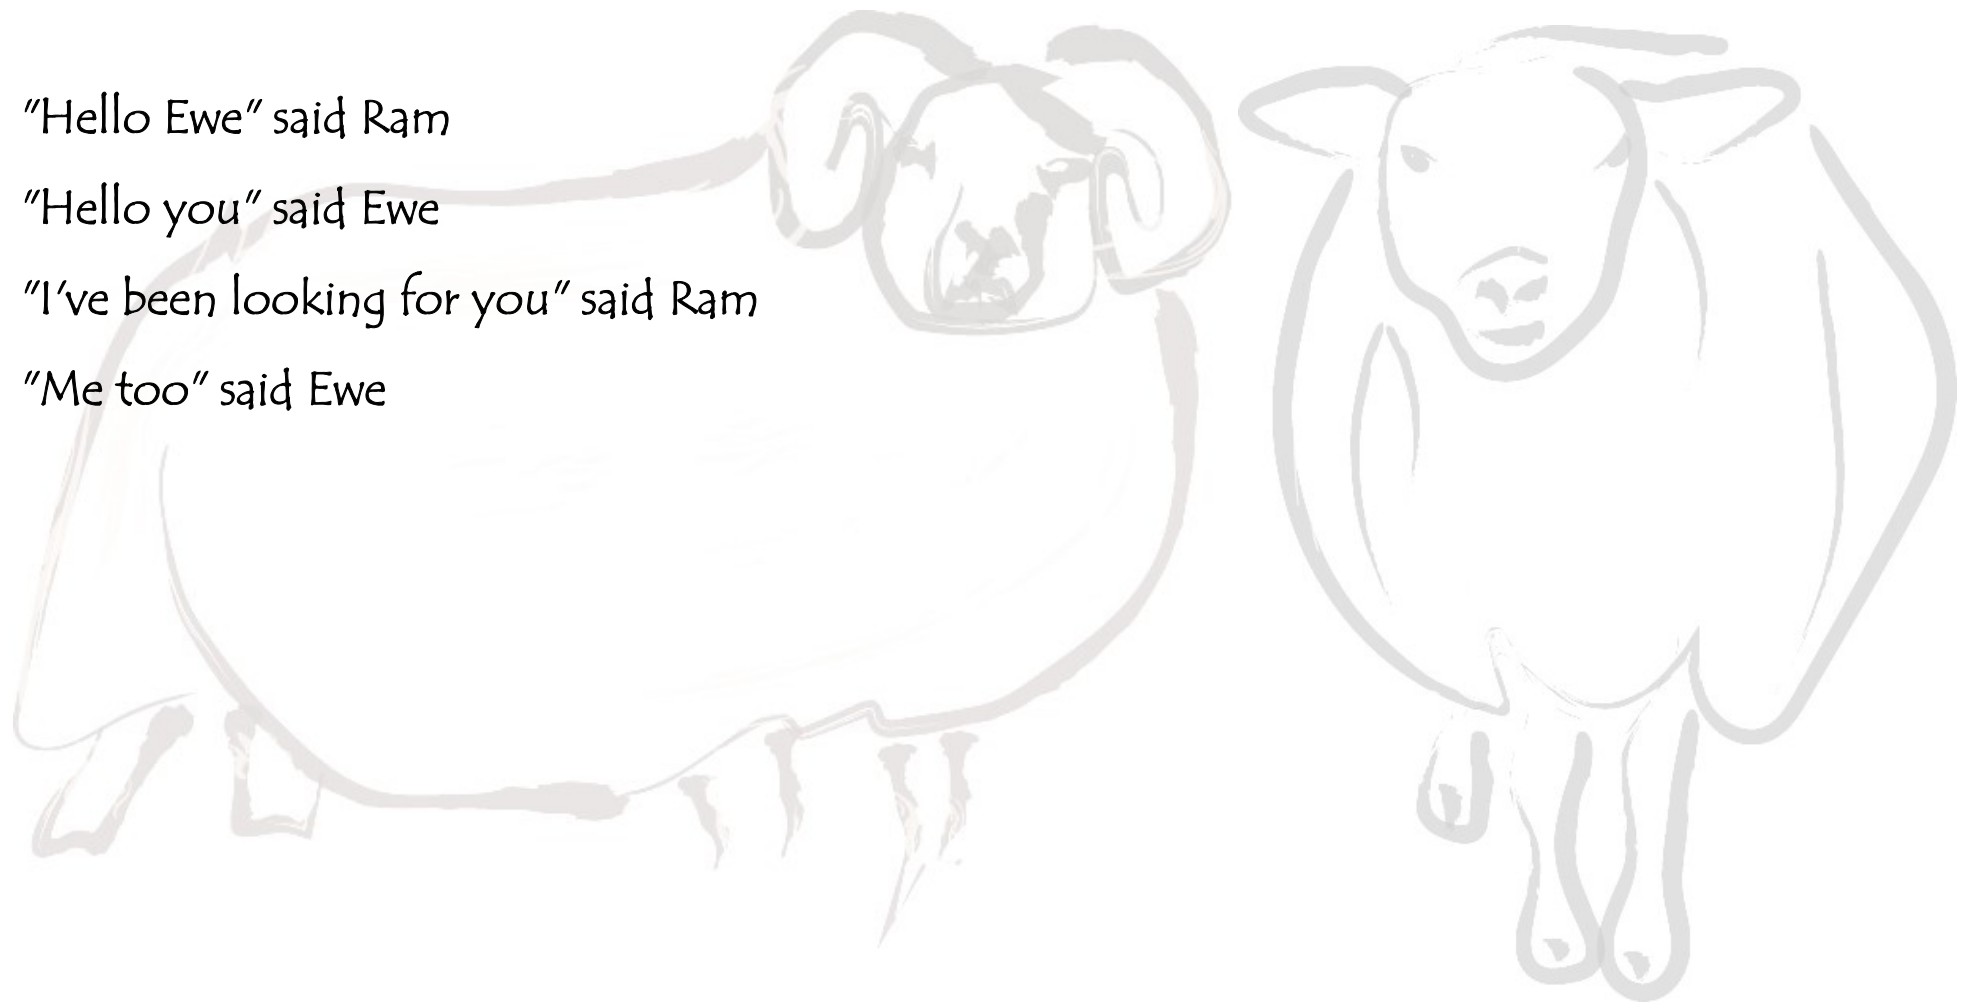

Mare took a moment, "it seems like you could have had a very long day walking in circles around the lake, but not to worry, I can see Ewe coming this way now".

"Hello Ewe" said Ram

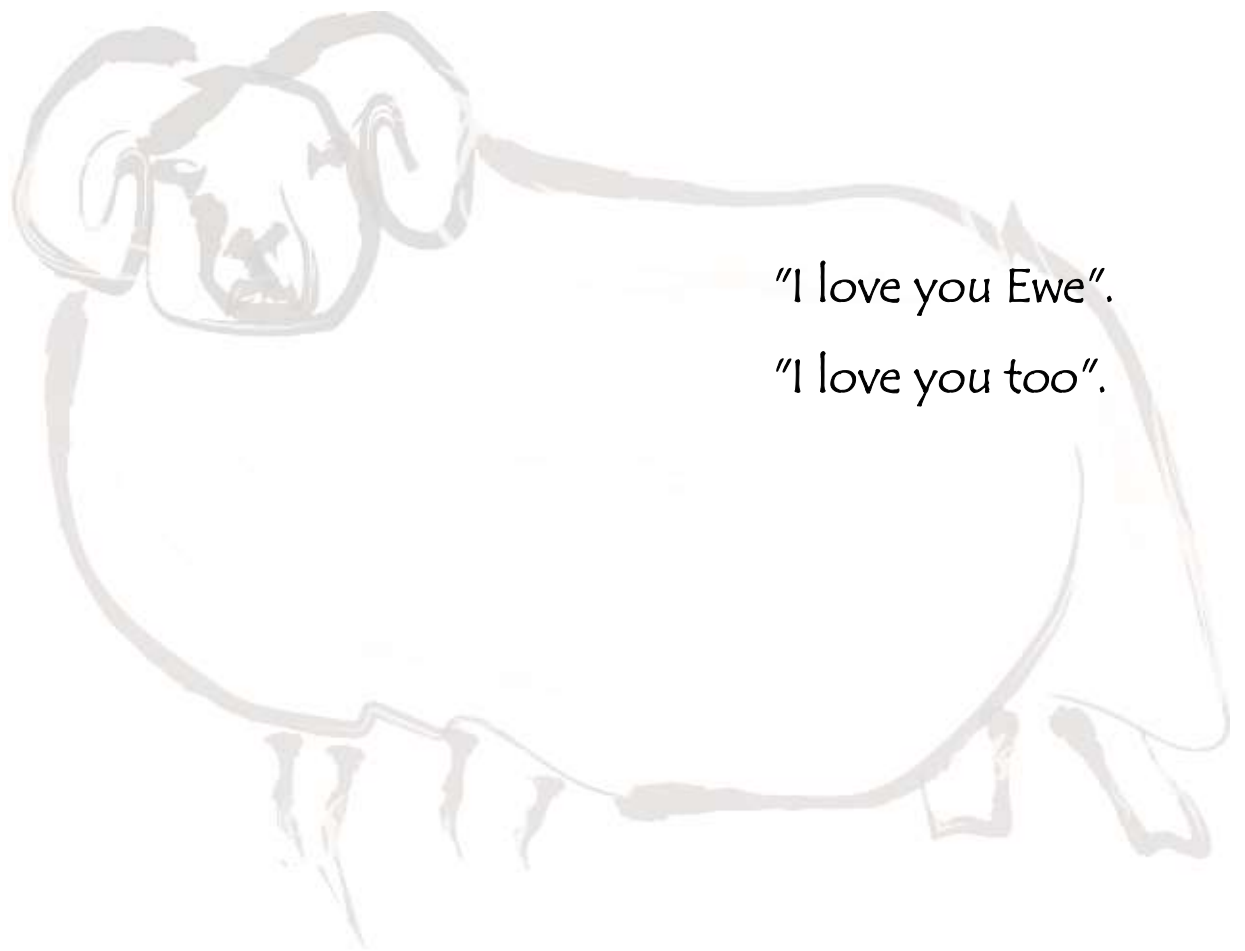

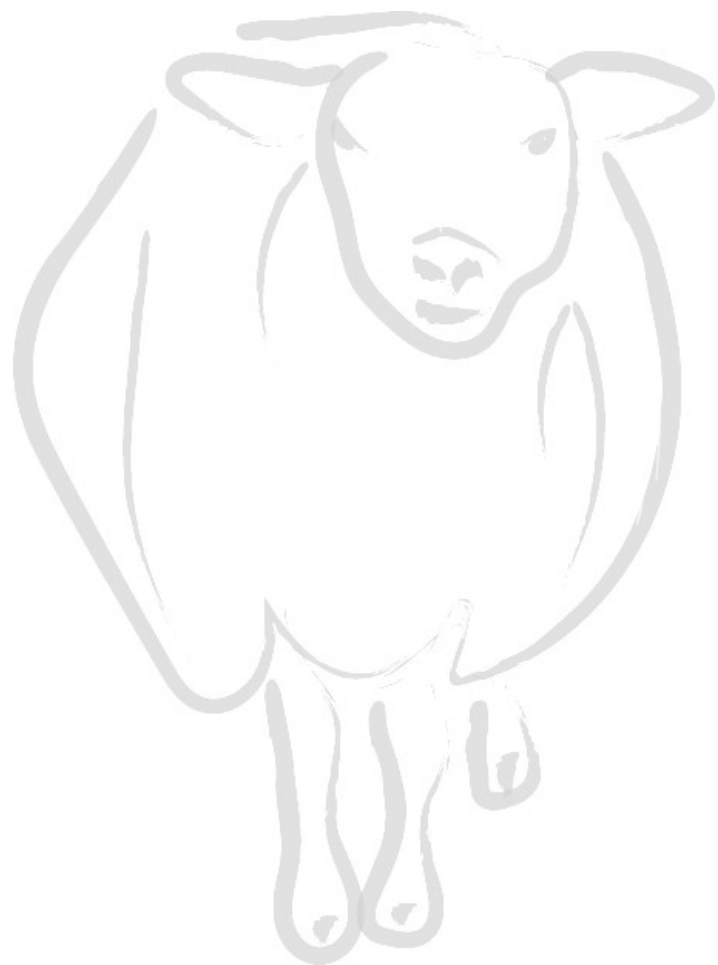

"Hello you" said Ewe

"I've been looking for you" said Ram

"Me too" said Ewe

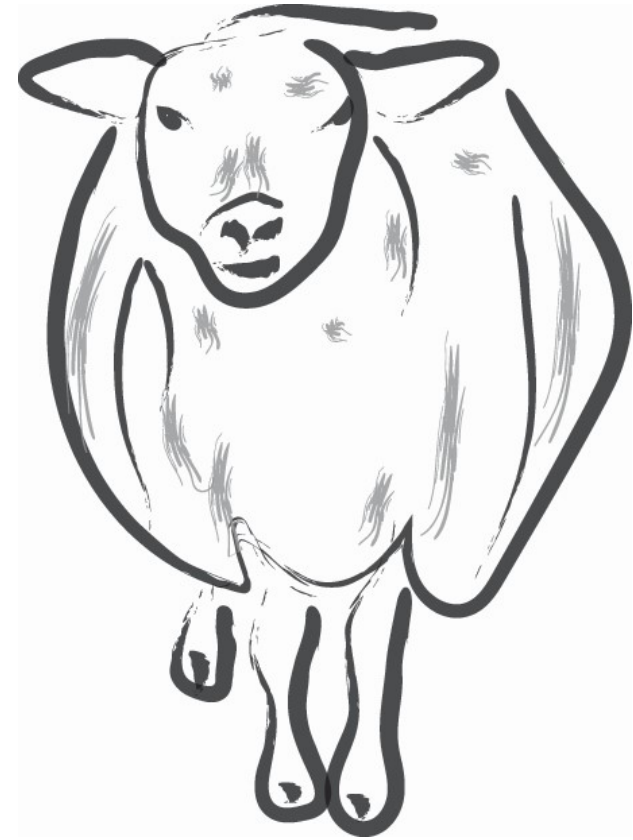

"I love you Ewe".

"I love you too".

And so Ram and Ewe had finally found each other, and they set of for a walk around the lake...

"Not the lake again" they both bleated,

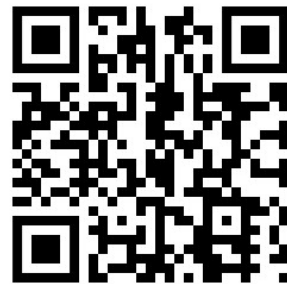

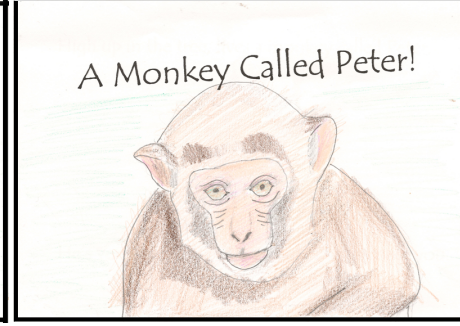

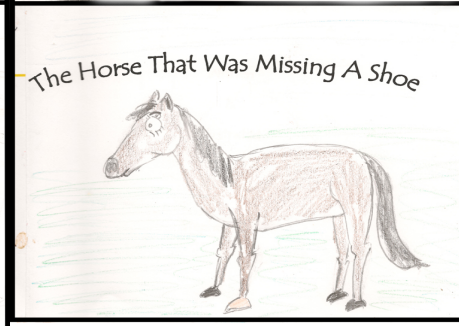

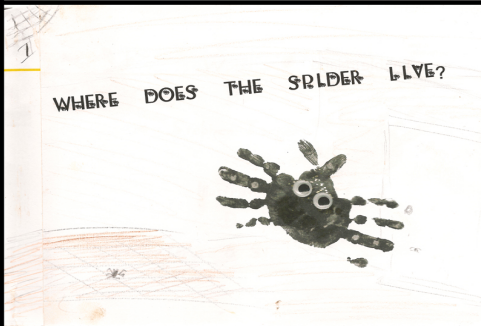

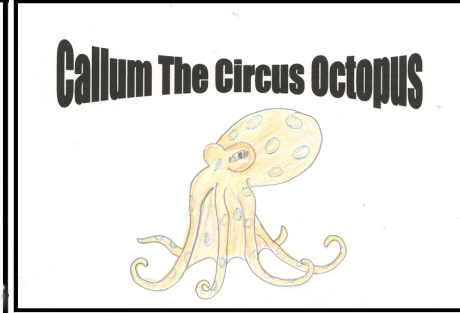

They went up to the hill and watch the sun set over the village.

"That's better" said Ram.
